Dear David;

On Behalf of the Redlands Chamber of Commerce Board of Directors, membership and staff, I would like to take this opportunity to congratulate you as you have been selected to receive one of five distinguished "Top Chamber Business" Awards presented by Assemblyman Mike Morrell.

The Assemblyman has asked the Chambers in his district to provide him with a list of outstanding businesses who have demonstrated an extraordinary endurance during these difficult times. You have certainly displayed that talent and more, your contribution to the community and specifically to the chamber has not gone unnoticed. Your positive attitude and optimistic approach to business survival is exemplary.

The Chamber Executive Committee was challenged with a list of qualified businesses and narrowed the field to five deserving award recipients and you are one of those who most deserve the honor.

On Thursday, November 10th you will be invited to attend a luncheon in your honor, to receive your award.

The event will take place at the Etiwanda Gardens, 7576 Etiwanda Ave. Etiwanda, CA 91739, from 11:00 AM to 1:00 PM. Your lunch will be hosted by the Assemblyman. Guests who would like to attend the luncheon may do so by reservation at a cost of \$35 each. Reservations may be made by calling Nathan Miller at 909 466-9096.

Again, congratulations on this prestigious and well deserved honor.

Sincerely,

Peter Lehmann
President
